

Dear Governor Richardson:

As a member of _____ Grange, I am writing to urge you to appeal the Silvery Minnow court decision on behalf of the State of New Mexico and the city of Albuquerque to the full 10th Circuit of Appeals federal court in order to overturn the decision. The court decision is a threat to all cities and farmers served by federal water projects. Overturning this decision will help promote reform of the Endangered Species Act, protect private property rights, protect state water laws, and protect the validity of contracts entered into by the federal government.

Thank you for your hard work on overturning the Silvery Minnow court decision.

Sincerely,
